故事・集：說說典藏

高美館蒐藏作品，也收藏藝術的故事。作品是藝術家創作的可見故事，亦是高美館傾注心力聚珍的故事原型；包含藝術創作思路、蒐藏記事、導讀賞析，既是作品自身、延伸與衍生的記述敘事，也是平易近人的藝術故事。文字沉靜卻深具熱絡心靈的力量，我們期以故事動人的文情溫度點亮作品，展現藝術親和魅力，讓大眾於作品直觀感受之外，更容易認識藝術、了解作品，激發喜愛藝術的興趣及探究的動力。

本展以「故事・集：說說典藏」為題，粹選本館典藏藝術家經典作品，展區以「寫實/抽象：心之倒影」、「符號/圖騰：意念的象徵」、「行為/踏查：以時間為梭」、「在地/原鄉：土地和海洋」共四個子題展出，集結本館典藏藝術家創作思路、美術館蒐藏記事、藝研者導讀賞析，並行展開經典於字裡行間。本展期以作品故事的親善導賞，帶領觀眾由不同的觀看角度，多重感知本館重要典藏；透過閱讀故事而悅讀作品，促動觀眾走進典藏、走近藝術，共享藝術薈萃與典藏聚珍的甜實累果。

A Kaleidoscope of Stories: Narrating the KMFA’s Collections

The Kaohsiung Museum of Fine Arts (KMFA) collects both works of art and stories about art. As visible stories created by artists, artworks are the prototypes of stories which KMFA endeavors to acquire. In addition, KMFA also gathers things involved in these prototypes, such as creative thoughts, notes on the acquisitions, and interpretations/analyses of the works, all of which are not only narratives derived directly or indirectly from the works, but also approachable stories about art. Words are silent yet imbued with power to warm the soul. Through words, stories are told to touch the emotion; through stories, we attempt to highlight the works and demonstrate the friendly charm of art. Furthermore, we expect to make it easier for the public to know art and understand the works beyond their intuitive feelings, thus stimulating interest in art and motivation to explore.

Entitled “A Kaleidoscope of Stories: Narrating the KMFA’s Collections,” the exhibition features the artists’ iconic works selected from the museum’s collections. The exhibition comprises four sections: Realism/Abstraction: Reflections of the Mind; Signs/Totems: Symbols of Ideas; Performance/Survey: Time-based Representations; and Local Identity/Indigenous Origin: Land and Sea. Through sharing stories about the classic works on view, the exhibition presents the artists’ creative concepts, notes on the museum’s acquisitions, and art researchers’ interpretations and analyses. The exhibition offers a friendly introduction of the works’ stories, leading viewers to appreciate and perceive the museum’s selected collections from diverse perspectives. The reading of stories enables viewers to enjoy appreciating the works, encourages them to get close to the museum’s collections and approach art, and shares with them the rich artistic creations and precious collections.
